

# Conceal your Dark Circles

.....> *Using the right colours...*

**Light Blue Under eye circles (usually very fair skin)**

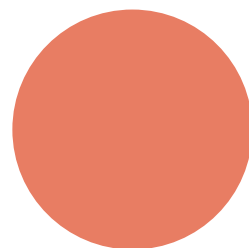

.....>  
Use a peach shade corrector

**Dark Blue Under eye circles (usually darker skin)**

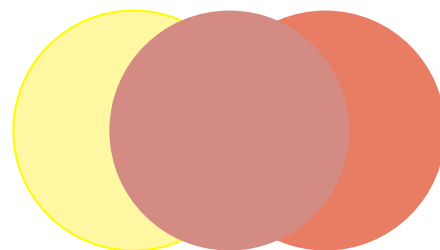

.....>  
Use an Orange shade corrector

**Between Blue and purple under eye circles. (This can be light or dark skin.)**

.....>  
Requires a mix of banana and orange to create a salmon shade. Use more orange in the mix for darker skin tones

**Purple under eye circles (usually on fair skin)**

.....>  
Use a banana shade corrector
